

Canvas Print prices – gallery wrapped giclees on canvas, 1.5 inch deep with sawtooth hanger. Specify whether you prefer the edges in black, white, or patterned with a mirror image of the painting. Rolled canvases are cheaper, but require a local framer who can handle them – inquire for a quote.

For an enhanced giclee I add a textured painted layer, and some of the mixed media elements from the original. These look like paintings for decorative purposes.
